

The Guild of Energists

The Modern Energist's Code of Conduct

This code is designed to encourage responsibility and integrity in the practice of Modern Energy. It may form the basis for discussion in the event of a complaint against a member. Disregard or breach of the Code Of Conduct may lead to exclusion from The Guild of Energists.

- We are the energists. As energists, we advise on the energetic components of any given situation or circumstance.
- We are representatives of the Third Field in the Mind, Body, Energy triad.
- Modern energy is new and essentially unexplored. Therefore, we cannot make a claim of cure in any situation. To make claims of cure will lead to exclusion from The Guild of Energists.
- We may offer our services with the direct intention to improve the situation by addressing the energy dimensions of any given situation or circumstance.
- We will do our absolute best to improve the flow of energy and bring about a positive change.
- We fully co-operate with representatives from the other two fields in the best interest for all concerned.
- We do not offer to replace services from the other two fields.
- We are fully aware of the local laws pertaining to the services of a modern energist and we act within the boundaries of these laws.
- We are fully aware of the local laws pertaining to income, payment and taxation, and we act strictly within the boundaries of these laws.
- We are aware that each one of us is a representative of modern energy, and we will conduct ourselves honourably and ethically at all times and in all media.
- We absolutely uphold the privacy of our clients under all circumstance.
- We are dedicated to further information and learning about the new Third Field of Modern Energy.
